FROM APRIL TO JUNE

# Green days in the Friulian Dolomites

A compendium of day trip suggestions for learning and getting to know while having fun: the Adventure Park and the Botanical Gardens, the Anthropological Museums and the sites of the Great War, the murals with the small churches and the huts with the cheerful Farm.

- > Naturalistic excursion with guide
- > Lunch in a refuge, mountain hut or restaurant
- > Naturalistic, sporting, cultural didactic activity of your choice

SEPTEMBER - OCTOBER  
FROM APRIL TO JUNE

## White week in the Dolomites

Approach, learn and improve the practice of alpine skiing and snowboarding, followed by expert ski instructors, with fun and respect for nature.

- › 5 days – 4 nights, in hotel 3\* full board with packed lunch or lunch in a refuge
- › 4 days skiing: ski pass and ski instructors lessons
- › Ski equipment rental
- › Didactic safety on the slopes and ski competition at the end of the course
- › Naturalistic excursion with snowshoes
- › Musical evening at the hotel
- › Entrance to the swimming pool, ice skating

FROM JANUARY TO MARCH

## All sports on the snow

An educational-sports stay, to approach the various winter sports activities, with expert guides and instructors, together with your schoolmates.

- › 4 days – 3 nights, in hotel 3\* full board with packed lunch or lunch in a refuge
- › 2 days skiing: ski pass and ski instructors lessons
- › Approach to Biathlon and Nordic skiing
- › Naturalistic excursion with snowshoes
- › Indoor climbing with mountain guide
- › Entrance to the swimming pool, ice skating

FROM JANUARY TO MARCH

## White days on the snow

To learn while having fun. Skiing in safety, combining ski lessons with playful and creative activities in the snow, with snowshoeing in the footsteps of animals, an approach to Biathlon, the Fantasy Snow Park, hockey and ice skating.

- › 1 day skiing: ski pass and ski instructors lessons
- › Lunch in the refuge
- › Naturalistic, sporting, cultural didactic activity of your choice
